

General Notes:

1. This Map was prepared based on the 2017 Gloucester County GIS Tax Map data and shape files to produce the base map for the update. This amendment is an update to the current Zoning Map prepared by the Wetzman Planning Group, dated 11/04/2005 and revised to 05/14/2009.
2. The boundaries between zoning districts are, unless otherwise indicated, either the center lines of streets or railroad right-of-way, municipal boundary lines, property lines existing at the time of the Zoning Map adoption or amendment, or lines parallel or perpendicular thereto. Distances not specially indicated shall be determined by the scale of the map. (UDO § 88-7.C.(1))
3. Where a district boundary line divides a lot existing at the time of adoption of this chapter, the regulations applicable to the least restrictive district shall extend over the portion of the lot in the more restrictive district for a distance of not more than 50 feet. (UDO § 88-7.C.(2))
4. Overlay Zoning Districts and Redevelopment Areas are not graphically shown on the Zoning Map but are included by Ordinance and identified with Block and Lot numbers existing at time of adoption of the ordinance. All Overlay Zoning Districts and Redevelopment Areas should be validated by reviewing the ordinance and/or adopted Unified Development Ordinance (UDO).
